Some of you may ask, just what is Stephen Ministry, and what does a Stephen Minister do? Stephen Ministry is a program that calls, trains, and supervises individuals who have the desire and the commitment and the gifts to care for others in faith and in love. Once trained, a Stephen Minister can then walk along side another individual who is going through a difficult time in their life. In this one-on-one caring relationship a Stephen Minister will listen with compassion and understanding, The Stephen Minister, relying on their own faith in God is there to support their care receiver in their time of need. Contact Sherry Britt, 801-733-0083 or Millie Nielsen, 801-944-4671 for informaton about the training beginning October 19.
