Children of Peace International Benefit Dinner and Film Premiere.

Children of Peace International is a humanitarian organization dedicated to helping the people of Vietnam develop the capability to help themselves. Through financial and material support of orphanages, hospitals and clinics, as well as two medical missions each year, COPI offers hope, and help, to those in need. COPI currently serves over 6,000 children spread across 14 schools and orphanages in Vietnam.

For more than five years, Community of Grace has supported COPI and its missions with vitamin and monetary donations. COG has also sent two congregation members on its medical missions.

In 2008, a documentary film crew captured the many heart breaking moments of her trip and created an award winning film called "A Necessary Journey." The film will have its Salt Lake premiere at the COPI fundraiser next month.

Tickets are \$25/each and include traditional Vietnamese appetizers made by Micaela Choo and the desserts by Martin Perham.

Please join us at this fun and worthwhile event.
