Community of Grace Presbyterian Church: Building Confident Followers of Jesus Christ who Love God, Neighbor and self

Commitment to Participate in a Service Group (Fall/Winter Session)

Some COG children's activities are for anyone to attend whenever they choose. That is important because schedules are busy and interests vary. This service group takes a little bit of a commitment. Commitment is valuable... you will get to know other Christians in a more real sense when you spend time together serving as a group.

Don't underestimate the importance of your decision to serve others. You may never see it, but you may offer someone the boost they need and insight into what God is really about. Each person brings something unique that God can and wants to use.

Yes... it means time, decision and choice. But with it comes a deeper sense of Christ in your life. And your leaders are fully committed to you and following Jesus Christ. Please PRAY before you sign.

As a 5th/6th grader I agree to:

- ✦ Make this group a priority – attending all gatherings if possible
- ✦ Participate fully, and joyfully, with the group and others I'm serving
- ✦ Share my belief in Christ with others, in word and action
- ✦ Look for God in the People I meet – even when it is hard!
- ✦ Pray and Care for those in the group

As a Parent of a 5th/6th grader I agree to:

- ✦ Attend informational meeting to understand the program
- ✦ Bring child to activities as outlined in the program
- ✦ Attend and participate in at least 2 activities with my child
- ✦ Ask my child how he or she saw God in the people they helped
- ✦ Pray for the group, the kids, the partners, other parents and the leaders

5th /6th grader commitment signature: _____

Parent commitment signature: _____
